At Petition, we go to great lengths to source high quality wines, beers, spirits, aperitifs, cocktails and non-alcoholic drinks.

We embrace local and international producers who, through organic and biodynamic practices, are crafting thrilling and complex beverages, as well as looking after their patch of land for future generations. Many of our artisan winemakers, are also breaking the mould with their production methods, favouring minimal intervention techniques, with less use of additives and filtering.

The results typically leave the wine packed with flavour, highly textural and extremely delicious. Our more classically styled beverages are extensively benchmarked against their competitors by our tasting team so we can offer an exceptionally high level of quality for you to enjoy.

Please ask our friendly waitstaff for more information.

PREMIUM POUR – Coravin* Preserved

2015 Bacchus Family Wine (Malbec blend)	Margaret River, WA	24
---	--------------------	----

*About Coravin preservation technology: at Petition Kitchen we're delighted to be able to offer a selection of premium wines by the glass, using Coravin technology to pour and preserve wine so you can enjoy as the winemaker intended.

The techno bit: Coravin uses a surgical grade needle to extract wine through the cork, without removing it. When the needle is withdrawn the cork reforms and the remaining wine is preserved in perfect condition with a small addition of inert argon gas.
