At Petition, we go to great lengths to source high quality wines, beers, spirits, aperitifs, cocktails and non-alcoholic drinks.

We embrace local and international producers who, through organic and biodynamic practices, are crafting thrilling and complex beverages, as well as looking after their patch of land for future generations. Many of our artisan winemakers, are also breaking the mould with their production methods, favouring minimal intervention techniques, with less use of additives and filtering.

The results typically leave the wine packed with flavour, highly textural and extremely delicious. Our more classically styled beverages are extensively benchmarked against their competitors by our tasting team so we can offer an exceptionally high level of quality for you to enjoy.

Please ask our friendly waitstaff for more information.
